**ACTION REQUESTED BY THE SUPERINTENDENT:** That the School Board receive for information the proposed attendance zone recommendation for Mountain View High School as provided to the Superintendent by the High School Redistricting Committee. That the School Board also receive information per their request from the redistricting work session held on November 30, 2004.

---

### KEY POINTS:

- ◆ At the October 12<sup>th</sup> School Board meeting staff presented two proposed redistricting options that resulted from the employment of School Board Policy 7-12. Following the October 12<sup>th</sup> meeting public hearings were held at each of the high schools in an effort to gather public feedback relative to the redistricting options.
- ◆ Following the public hearings, the School Board held a work session on November 30<sup>th</sup> to discuss the high school redistricting effort. As a result of the work session, staff was asked to provide additional information factoring the following **subdivision-specific** issues into the redistricting proposals:
  1. The Autumn Ridge subdivision remains at Colonial Forge High School.
  2. Shelton's Run and Beau Ridge subdivisions attend Mountain View High School.
  3. The Stafford Lakes subdivision remains at Stafford High School.
  4. The England Run subdivision remains at Stafford High School.
  5. Both England Run and Stafford Lakes remain at Stafford High School (no students leave Stafford High in 2005.)
- ◆ In addition, the School Board asked that the following **grade-specific** issues be factored into the redistricting proposals:
  1. Allow all rising high school seniors to remain at their existing schools.
  2. Allow all rising 11<sup>th</sup> graders to remain at their existing schools to include opening Mountain View High School with only a 9<sup>th</sup> and 10<sup>th</sup> grade class. (Those choosing to remain in their current facility would be responsible for transportation.)
  3. Allow all rising 11<sup>th</sup> graders to remain at their existing schools, while requiring all rising 11<sup>th</sup> graders zoned to attend Mountain View High School to attend the new high school in 2005. (Those choosing to remain in their current facility would be responsible for transportation.)
- ◆ The School Board asked staff to factor in the allowance of students currently attending a school outside of their attendance zone the right to remain at that facility.
- ◆ Finally, the School Board asked that all additionally requested information be accompanied by a list of pros and cons as they relate to student well being. A meeting has been scheduled with all of the high school principals for Thursday, December 9<sup>th</sup> to discuss the redistricting considerations and the feedback from that meeting will be packaged and forwarded to the School Board prior to the School Board meeting.

◆ The following table includes the information requested by the School Board as it pertains to **subdivision-specific** issues and the high school redistricting effort:

**Assumptions:**

All additional options include the requested School Board considerations factored into original options A and B.

All options assume 11th graders zoned for redistricting move to their newly designated schools.

All options after A assume that Austin Ridge remains at CFHS and APU 116 moves to MVHS.

APU 116 consists of Shelton's Run and the Beau Ridge subdivisions.

Additional Options A simply illustrate Austin Ridge remaining at CFHS and APU 116 moving to MVHS.

Additional Options B would include no students being redistricted out of SHS.

Additional Options C would include leaving Stafford Lakes, and vicinity, at SHS.

Additional Options D would include leaving only England Run, and vicinity, at SHS.

Additional Options E would include moving Stafford Lakes, and vicinity, to MVHS.

Additional Options F would include moving England Run, and vicinity, to MVHS.

All options after A assume that Austin Ridge remains at CFHS and APU 116 moves to MVHS.

APU 116 consists of Shelton's Run and the Beau Ridge subdivisions.

Additional Option B includes ALL 11th graders being allowed to remain at existing schools; MVHS opens with only 9th and 10th grade.

Additional Option C allows ONLY 11th graders redistricted to an EXISTING high school the opportunity to remain at their current high school,

11th graders zoned to attend MVHS would be required to attend.

Additional Option D (the same as additional option A) would require all redistricted 11th graders to attend their newly designated school.
